Likes are easily faked too! Reading comments is the only way to tell who is legit real comments from real people are obvious.. Instagress is one of a number of services that became a surprising successful service by taking advantage of the desire to appear popular.. It's unclear whether similar services have been shuttered yet, but this indicates Instagram, which is owned by Facebook, is finally going after bot accounts designed to attract as many followers as possible. <u>Rolling Stones Voodoo Brew Rar</u>
